- Send and receive secure, electronic messages to and from your banker
- Sign up for E-Statements; keep all your financial information at your fingertips without all the paperwork
- Order checks
- Initiate stop payments

YOUR SECURITY AND PRIVACY

North American Banking Company's electronic banking products provide advanced functionality, proven security features and user-friendly interfaces to make Online Banking fast, easy and secure.

ENROLL NOW

Sign up for Online Banking through our website at **nabankco.com** — for quick, easy access anywhere you are.

Pay all your bills from one place — it's FREE

Why write checks, pay for postage or log in to separate sites to pay your bills? We'll do it for you with Online BillPay.

TO SET UP BILLPAY:

- Log in to Online Banking and select Settings
- Select Modify Access and Services
- Select Edit for the checking account you would like to add the BillPay feature to
- Select Basic BillPay and submit

You will receive approval for BillPay access via email within 48 hours. Follow the easy online instructions to pay your bills. Or, contact a personal banker to walk you through the process. We offer a 100% on-time guarantee that your bill is paid on the date you request.

Go mobile

IT'S EASY, FREE AND 100% SECURE

North American Banking Company has made Mobile Banking more convenient than ever. With our mobile app, you can do your banking anywhere, anytime. Go to the App Store or Google Play to download the app and get started.

WHAT CAN YOU DO FROM YOUR MOBILE APP?

- View balances
- Transfer funds
- View transaction history
- Pay bills
- Make deposits (personal accounts only)

HOW DO YOU GET STARTED?

Visit the App store of your choice and search North American Banking Company. You need to be a registered Online Banking user to log in.

There is no service fee from North American Banking Company for Mobile Banking. You may have a charge from your mobile carrier for accessing the Internet. Check your mobile service plan for that information.

ExcheQ

The simplicity of a check meets the convenience of your phone.

Pay friends directly from your account to theirs – no third parties. No credit cards. No signing up for yet another account. And, it's free.

To get started, visit the App Store or Google Play and search for ExcheQ. Download the app and contact any branch to request an activation code. A secure code will be emailed to you. Then, enter the activation code in the app and follow the simple prompts to get started.

EXCHEQ IS EASY AND SECURE:

- Add a payee from your contacts or manually enter their email address or mobile phone number.
- Enter the amount you wish to send and tap Pay.
- Your payment is on the way!
- Both you and the payee will receive notification that the payment is in process.
- The payee only needs to enter their routing and account numbers to receive the money.

For help getting started, contact a banker at the location nearest you. They'll be happy to help.
